Mission Statement: Cancer Support Team’s mission is to enhance the quality of life of patients and families affected by cancer. Our goal is to increase access to essential health care services, by providing professional nursing, social work counseling, case management and other supportive services free of charge and without regard to insurance coverage to our clients at any stage of the illness.

Dear Friends,

As we reflect on our wonderful accomplishments and challenges, we wanted to share with you some highlights of the important ways that your support has aided us in achieving our mission. During the past fiscal year, we:

- Served 659 patients
- Conducted 3,974 patient visits (in the home, the community, CST office or by telephone consultation)
- Distributed $35,291 in financial assistance grants
- Provided 891 rides to chemotherapy and radiation appointments through our volunteer drivers program
