Mission Statement: Cancer Support Team's mission is to enhance the quality of life of patients and families affected by cancer. Our goal is to increase access to essential health care services, by providing professional nursing education, social work counseling, case management and other supportive services free of charge and without regard to insurance coverage to our clients at any stage of the illness.

Dear Friends,

As we reflect on our wonderful accomplishments and challenges, we wanted to share with you some highlights of the important ways that your support has aided us in achieving our mission. During the past fiscal year, we:

- Assisted 1,227 patients and families.
- Conducted 6,694 patient visits (in the home, the community, CST office or by telemedicine).
- Distributed \$91,698 patient financial assistance grants.
- Provided 716 rides to chemotherapy and radiation appointments through our volunteer drivers program.
